Dr. Metilda

DOCTOR OF MEDICINE

Doctor of Medicine (MD) is a degree that paves the way for students who wish to become physicians, surgeons, nurses, dentists, and more. It's also the most common degree among medical students, as most medical practitioners in the US are MDs.

Dr. Daniel

DOCTOR OF PODIATRIC MEDICINE

Doctor of Podiatric Medicine (DPM) is a degree that deals with the treatment and prevention of abnormal conditions of the lower limbs. A podiatrist is usually someone athletes consult when they suffer from injuries.

Dr. Susan

Doctor of Dental Medicine

Doctor of Dental Medicine (DMD) is basically the degree a dentist needs to open a medical practice. Dentists are responsible for their patient's oral health and deal with the necessary dental procedures such as the
